House rent of A. Antonyswamy at Coimbatore at Rs.6-8-0 per month	52	0	0
Total under Travelling allowance:	3,134	11	0 or
	3,135	0	0

An increase of Rs.1,335/- (Rs.3,135-1800) over the budget sanction has to be incurred this year due to the following reasons which were not contemplated last year when budget estimate was submitted during August 1947.

Since the Government in their M.S.No.1313, dated 16-3-48 communicated in Director of Agriculture's ~~dated~~ D1-142/47 dated 23-3-48.accepted the suggestion of the Director of Agriculture that the Assistant Entomologist, Nellikuppam should be considered as a part of the sugarcane scheme and the Director of Agriculture has in his letter No.D.1.142/47 dated 28-3-48 has ordered that I should visit Coimbatore and Anakapalle and fixed the number of visits as 4 times in a year to Anakapalle in the inspection notes of sri Kantiraj, communicated in Director of Agriculture's letter No.X.3/824/47 dated 19-6-48. I have included the expenditure for the 4 trips to Anakapalle and 2 trips to Coimbatore. One trip to Anakapalle was undertaken in March '48 to arrange for the starting of Entomological work at the approval of the Director of Agriculture communicated in Director of Agriculture's L.Dis.919/47 dated 9-1-1948 which was casted in April 1947, Hence the 5 trips to Anakapalle and 2 trips to coimbatore together cost Rs.1,335 more than the amount forecasted last year. Each trip to Anakapalle and Coimbatore will come to about Rs.200/- and Rs.120 respectively. As such I request that the Director of Agriculture will kindly approve the extra expenditure contemplated.

There is an excess of Rupees 483 (4,383 - 3,900) required above to budget sanctioned by the Government. This is due to (1) extra expenditure incurred in rearing Trichogramma and collecting Corcyra moths to increase production of Trichogramma at a time when it was needed in additional quantities. These expenses were being met by the Government Entomologist in previous years from other contingencies from the main section and now they had to be provided from the scheme funds.

(2) The extra labour employed for other field observation at Coimbatore and Nellikuppam had to be met.
